

Graphic Edge Studio

1072 Bailey's Run Road, Tarentum, PA 15084

Graphic Edge Studio will be a participating vendor at 26th Annual NKCCA Cheer and Dance Competition!

The Graphic Edge Studio team will be creating 12 x 36" graphically enhanced team posters that are custom designed for each cheer squad. Photos of each cheer squad will be taken prior to warm up.

Parents, please look for the Graphic Edge team members who will be handing out an order form for each of the participating squads. The order forms will include instructions for the ordering and pick up process. To better ensure every parent gets an opportunity to order a poster, a team parent or team representative willing to take ownership of collecting their cheer squad's full order is helpful.

Posters are \$30 each. If your squad orders 7 or more posters then you receive a discounted price of \$20 each. Frames can also be provided for \$10 each.

We look forward to seeing you at the competition!
