

Cheer Coaches,

Attached is a registration form for the KAPOS Coaches Conference on Aug 19 at the KHSAA Office. I would encourage every coach to register for this. Even if you have to pay the \$50 out of pocket it will be money well spent for you as a coach. If you are coaching I would also encourage you to go through the judges training for your division KHSAA/UCA for High School Coaches or KAPOS for Elementary/Middle School Coaches.

If you cannot attend the 8/19 conference, the NKCCA will host a Coaches & Judging Clinic for KHSAA & KAPOS judging on 8/26 at Boone County HS, [Click here to register](#) .

Portions of the 8/26 event are free to NKCCA members & school coaches, more information to follow. There is a registration fee for the KAPOS judging portion.

The 8/19 agenda includes

- Jim Lord interpreting NFHS Rules;
- Varsity staff presenting new high school score sheets, Game Day, Choreography, and Stunt Demos.

Also, there will be a KAPOS Judges Clinics (Elementary/Middle School) which will be held on the 19th following the conference and then additional opportunities Aug 26 in Florence at Boone County HS; Sept 16 in Owensboro; Sept 23 in Hazard; and Sept 26 in Morehead. Registration form will be available on the KAPOS website soon.

Varsity taking over the KHSAA judging (HIGH SCHOOL) more information to follow.

KAPOS is also working on hosting an ALL A State At-Large Championship in January and a Game Day Championship for all school levels that same day. KAPOS Judging Sheets for Elementary and Middle School will remain the same with the exception of the Difficulty Grids for Partner Stunts and Pyramids. Those will be updated and posted on the website soon.

When the KAPOS Competition Committee met, it was also decided that the KAPOS Competition cannot be held simultaneously with the KHSAA Competition, but can be held in different sessions on the same day. More info to follow.

KHSAA/KAPOS Competition dates:
